If you are unable to attend this year's convention, you are encouraged to renew your membership with the NPGA. Your membership dues are used to develop programs that increase the awareness and understanding of pulse crops in the region. All of these activities are done to foster the growth of the dry pea, lentil and chickpea industry.

With your membership contribution you will:

- ◆ Aid in funding disease research, production research, variety improvement, crop insurance, and producer education.
- ◆ Aid the Association in promoting pulses and working with federal and state government on crop insurance and farm programs.
- ◆ Receive the NPGA quarterly newsletter, *The Pulse*, and the USADPLC weekly edition of the *Pulse Pipeline* via e-mail.
- ◆ Contribute to efforts to establish a strong feed and food market for the regions' pulse crops.
